Additional Comments:	In 1985, starting with Volume 6, <i>RSEQ</i> became a nationally refereed journal under the auspices of the National Rural Development Institute with Doris Helge as Director of the Institute and Paige Payne as Editor. With volume 8, the <i>RSEQ</i> reinvented itself with update logo (the eagle), layout and print style as well as a new editorial board. <i>RSEQ</i> became the only national scholarly publication solely devoted to rural special education issues.

	<p>In 1985, the NRDI was selected as one of 17 winners of the National Showcase for Excellence Awards Program, sponsored by the American Association of State Colleges and Universities.</p>
